1) **Minutes** – Minutes of the April 6, 2005 meeting were written by Patsy Kraemer. Two changes were proposed: spelling of Michele with one “l” and correcting the date to April 6. Approval of the minutes was moved by Roly C., seconded by David W. Unanimous vote.

2) **Scheduling of next meetings** – The upcoming meeting schedule is as follows:
June 1, 2005 – time of 7:00 if TM in session, 7:30 otherwise – Mt. Pleasant Cemetery. Jimmy Dodge will join the meeting.
July 6, 2005 – TBD
September 7, 2005 – Great Meadows

3) **Meadowbrook Park Management Plan** – discussion on the management plan ensued with various editing comments given for various sections. David and the ConCom will make the appropriate revisions and additions.

During this discussion it was suggested that it would be good to have standard reference maps from the Town GIS showing boundaries and contours for all the sites for which we are developing management plans. Joey G. will pursue this.

4) **Town Day Booth** – We discussed a little more about Town Day but made no decisions. Ann our Chair will be out of town on that date.

5) **Updates**
*Work is proceeding satisfactorily on the Reservoir.

*A special Town Meeting session will consider removing the medical requirement from the Symmes property which has generated some legal and financing difficulties.

6) **Meeting adjourned at 8:10 pm. Unanimous vote.**

Next Meeting: Wednesday June 1, 2005 7:00 pm – 8:00 pm if TM in session, otherwise 7:30 -9:30 pm
